OFFICIAL COURT OF STATE FUNDS.

STATE OF NEVADA, COUNTY OF ORMSBY.

Joe Riley and Ed Hummel were down from Virginia city Sunday and the buggy broke in two near the U. S. Mint. The horses ran clear to Bryant's ranch on the Franktown road where they were stopped by young Will McCrimmon, who was coming up the road at the time.

In Cleveland, recently the Stockless Jerry Simpson made a speech denouncing monopoly and abusing millionaires. After the talk Jerry had a champagne supper with the three millionaires. There is a good deal of this sort of humbug being indulged in, but the people like it first rate.

Just about now is the time to think about keeping warm and cozy during the coming winter, which is to be a heavy one. The Farmhand Heating Drum is surely the best contrivance to bring about this luxury. It requires considerably less wood than a stove does without it and distributes the heat evenly. Hume Yerington is the general and an order for a Drum will be filled on short notice.

Senator Stewart was in Alameda yesterday looking after his extensive interests.—Alameda Encinel.

The APPEAL is of the opinion that if Senator Stewart proposes to succeed himself it might be well for him to have some extensive interest in Nevada to look after.

The next campaign is going to be a State development affair and people who want to get in had better begin to rustle on that basis.

The Truckee Republican charges the APPEAL with not having predicted the California earthquake. The editor was absent from the city at the time when it should have been predicted, or the matter would have been attended to. To satisfy the Republican we predict another. The exact date will be furnished anyone communicating with this office and enclosing 25 cents worth of stamps, not for use, but simply as a guarantee of good faith.

The Novelty Dance.

The wheelman have now completed arrangements for their novelty party on Friday evening of this week at Armory Hall. They have contracted for two hundred tomatoes with real chicken in them, and will give an elegant prize to the person who is skillful enough to win in the most novel guessing contest ever introduced in Carson.

It is not strictly a guessing proposition either, as some skill is required, and also a little figuring. The music will be new, and better than ever.

"Lucky Baldwin"

"How I came to be called 'Lucky' Baldwin was this," said E. J. Baldwin of San Francisco. "When the Ophir mine was made, Flood, Mackey and O'Brien, the so-called 'Bonanza Kings,' entered into a combination to down me. But the downing part happened to be all on my side, and my victory over them was so complete that I was referred to as 'Lucky' Baldwin at the time, and have been called the name ever since."

The Placer Argus says that the Pratt trial disgusted the good people of Oakland. That's where you are mistaken Sir. It pleased the good people of Oakland, and they are anxious to have it run another month.

E. B. Rail has just received from the East a fine line of Rochester lamps and churms; also China dinner and tea sets and fancy goods. Go and see the stock of new stoves and ranges. The stoves are worth looking at. Prices way down to suit the times.

FINISHED ITS LABORS.

A General Rise of Railroad and Other Property.

At 11 o'clock on Saturday evening the State Board of Equalization finished its labors, and the result was a general raise of valuation all over the State, both on railroads and individual property. The rises in the various counties are as follows:

COUNTY	PER CENT	RAISE
Douglas	20	\$164,462
Churchill	20	129,332
Humboldt	15	502,060
Elko	15	661,683
Washoe	15	754,040
Ormsby	15	189,477
Nye	10	60,145
White Pine	10	76,723
Lincoln	10	46,918
Esmeralda	10	119,115
Storey	10	201,115
Lyon	10	174,732
Lander	10	169,287
Eureka	5	106,250

Total \$3,352,342

This raise includes all property over which the Board has jurisdiction.

Before the rise the total valuation in the State was \$26,739,530. It now stands \$30,091,872.

The raise effects the railroads as follows:

Before the raise the total valuation of 901 miles of road in this State was \$8,384,000. It now stands \$10,807,793, an increase of over \$2,400,000.

In 1890 the total valuation of property in this State was \$24,600,000. It now stands after the raise at \$30,000,000 in round numbers.

Out of the total valuation of over thirty millions the railroads pay ten millions.

The Board did not assess the Austin City R. R.

The Lake Tahoe Lumber and Flume Co.

The Sierra Nevada Wood and Lumber Co. R. R.

Dayton, Sutor and Carson Valley R. R.

Oregon Short Line and Utah R. R.

It was held that they were not railroads at all under the law as they carried neither public freight or passengers. They were private concerns and rated by the county assessors.

Last year they were rated as railroad property.

In 1890 the railroad property of Nevada was assessed as \$8,896,765.

It is now assessed as \$10,807,793 under the new rating, an increase over last year of \$1,910,928.

The Capital Minstrels.

On Saturday night, in the Arlington Club rooms, an organization was effected which will hereafter be known as the Capital Minstrels. They consist mostly of home talent, though there has been added some first-class talent from the outside.

The officers are as follows: W. Randall, President; Arthur Raycraft, Manager and Treasurer; Bob Davis, Secretary; John Mack, Stage Manager; Al Lindsay, Musical Director.

There are about thirty members in the company, and a performance will doubtless be given in two or three weeks at the Opera House.

The members are requested to be at the Opera House tonight at 7:45 promptly.

Not Hypnotized.

Our morning contemporary is congratulating itself that the APPEAL is through with the miserable scandal by which leading citizens of Carson conspired to deliver a rape fiend from the clutches of justice.

We are of the opinion that the people who started the News as a mouthpiece are crowing somewhat before they are out of the mud. It is not time to drop this case until the cheque who have been thus far having it all their own way, are properly indicted by a Grand Jury and placed on trial for their crimes.

If the Grand Jury has been hypnotized, we can assure the public that the APPEAL has not been.

Diseases of woman a specialty. m12 Dr. Fox.

The Chicago Fair.

Are you going to the World's Fair? Everybody is going if able. And now everybody is able, because an incorporation has been formed in Chicago, composed of the leading citizens and most responsible men there, and they offer the most enticing inducements at the cheapest possible rates.

They sell a ticket for \$131, that absolutely covers everything, on the installment plan. This certificate entitles the holder to first class transportation to and from Chicago from Carson during the Fair, transportation to and from depot and hotels for self and baggage, six admissions to the Fair with your lunch on the grounds, fourth, first class board and lodging for six days in their own commodious hotels and lastly their competent guides will see that all holders are shown around and miss nothing. Think of the crowded condition of Chicago during the fair and then of the ease and comfort of this method.

Only \$131 for everything and that as follows: \$6 down at time of signing contract, balance in equal monthly installments from time of signing till April 1st, 1893.

It is a good bank company as holders may have their money back at any time, less the first six for expenses, etc. Certificates are transferable and non-forfeitable.

If you are interested get and read one of the small hand circulars.

A Good Company.

CARSON, NEV., Oct. 8, 1891.

J. D. KERSEY, Agent Northwestern Masonic Aid Association.

Dear Sir: It affords me pleasure to acknowledge the promptitude of the Northwestern Masonic Aid Association in paying the sum of \$8,500 insurance on the life of my father, T. D. Edwards, late deceased. The Company paid the above loss within thirty days after receiving the proofs of death, and is entitled to a general favorable consideration for its fairness.

DWIGHT EDWARDS.

Kersey & Yerington have plenty of this same kind of insurance, and the man who holds a policy never strikes it amiss.

Don't think glasses are only for old people; it is a great mistake. A glass becomes to the overburdened muscles of the eye as much of a necessity as food to the empty stomach or cane to him who has not the full power of his legs. If you have trouble with your eyes see Dallas Dodd and have a pair of glasses accurately adjusted. Difficult cases solicited from those who have failed to secure satisfaction elsewhere. Office at Ormsby House parlors. All work guaranteed to give satisfaction or money refunded.

Dr. Fox treats all diseases of the rectum, including hemorrhoids, fistula, fissures and ulcers, on modern scientific principles and radically cures without pain, without loss of blood and detention from business.

That the fourteenth amendment to the constitution is respected in Bodie, says the miner, is evident by the fact that a white man, a Chinaman and an Indian were playing cards together the other day.

There is no Secret

About your buying shoes to advantage. You may not know any more about the quality of leather than you do about a lost comet but that is no reason why you should get "stuck." Either you get your money's worth or you don't and if you don't it is your own fault. We are in the shoe business because we happen to know something about shoes and leather. It is "bread and butter" to us, therefore we make it a STUDY. Of the knowledge you get as much benefit as though you possessed it yourself for we place it entirely at your disposal and if you think that other houses can quote lower prices than we do, come and look at the goods and prices. We will put our time against yours and we feel confident that the result will be a mutual benefit.
